Dear Parent

Sub: Proud to be an Indian 2020

Asianet has announced the 8th edition of Proud to be an Indian program which gives an opportunity to 20 brilliant Indian students selected from schools across the Middle East to visit India and witness the upcoming Republic Day celebrations at New Delhi on January 26th 2020. The selected students will also get an opportunity to visit historical monuments and experience the awe-inspiring beauty of India.

Students are required to participate in the activity as team of 2. Through the program "Proud to be an Indian" Asianet News seeks to instill a sense of patriotism among Indian students in the Middle East.

The selection of 20 students will be done through an OMR test based on Indian History, followed by a debate on Environmental protection for the shortlisted teams which will be conducted at a neutral venue on Saturday, 11th January 2020. The details of the venue will be informed to you shortly.

Students who are interested in participating in the event are required to form a team of two and inform the respective class teacher on or before 16/12/2019. The preparation for the same can be done during the winter vacation.
