## OUR VISION

Educate Enlighten Empower

23<sup>rd</sup> March 2020

Dear Parent,

*Greetings from Sharjah Indian School*

Keeping in view the pandemic situation because of Covid -19, kindly take care of your health, hygiene and that of our students too.

### Firstly

- Avoid close contact with people. Keep distance between yourself and other people. Ensure social distancing.
- Wash your hands very often with soap and water for at least 20 seconds.
- Sanitize your home and use hand sanitizers frequently.

### Secondly

Due to the present pandemic situation throughout the world, there will be a possibility of reopening the school somewhat late, **yet not confirmed**. As proactive measure, we are planning for e-learning in particular, Google classroom and Zoom in case there is a delay in reopening the school on 12<sup>th</sup> April 2020, as the ultimate aim for all of us is that the teaching-learning process should not stop. Let's hope for the best.

We are hereby requesting you to arrange e-learning infrastructure at home as we will be teaching online if at all the school does not reopen on 12<sup>th</sup> April 2020 (yet not confirmed). Kindly arrange PC / laptop along with good internet facility for your ward to be an active learner of e-learning community.

Let's be together to provide quality and continuous education to our students using online resources and e-learning techniques.

Looking forward considering that you will be arranging the e-learning infrastructure for your child and cooperating with us to continue the teaching learning process of your ward.

Warm regards,

PRAMOD MAHAJAN
