## OUR VISION

Educate Enlighten Empower

1<sup>st</sup> April 2020

Dear Parent,  
Sir / Madam

Greetings from Sharjah Indian School and welcome to the new academic year 2020-21! We hope you and your family are all healthy and safe in these difficult times.

In spite of the widespread and rising concerns about the Covid-19 pandemic, we wish to assure you that Sharjah Indian School is fully prepared to meet all eventualities and face down any challenge in order to provide quality education for your ward without any break.

We are well prepared and in the final stage to deliver each day's academic lessons and learning resources to your home via e-learning using platforms of ZOOM BUSINESS and Google Classroom, so that no physical attendance at the school will be necessary, in accordance with the instructions received from SPEA.

As the first step in this process, we are creating the sections of each class for the new academic year. While going through account records, we find that we are unable to add your ward's name to the new class list as there are some fee arrears (for the year 2019-20) that have to be cleared before the name can be registered in the new class list, as promotion of your ward is withheld.

You are well aware of that in our previous circular we have brought to your notice that unless all fees are cleared, the student cannot be registered/promoted to the new class. We once again request you to clear all fee dues of your child at the earliest, on or before 10/04/2020.

As per the directives of SPEA, e-learning will be continued till June 2020. We are planning to start the delivery of e-lessons by the 2<sup>nd</sup> week of April. Kindly clear all dues before April 10<sup>th</sup> so that we can include your child also to the new class list, in good time to ensure that your child attends all e-classes from the beginning.

Your cooperation and support is requested being our partner in the journey of successful teaching learning process even in COVID-19 PANDEMIC. Together we can defeat each & every hurdle in the path of ensuring quality education up to the last child of the community and keep the Sharjah Indian School a step ahead as always .....

**NOTE: Payment may be made using the Skiplly app or by bank transfer through ADCB bank.**

Warm regards,
