Circular No. SIS/044/2020-2021

11th November 2020

For the students of Grade X & XII only

Dear Parent
Sir/Madam

Sub: Willingness to write the Pre-Model Examination in the school campus

We are planning to conduct the Pre-Model Examination for the students of Grade X and XII in the school campus before 10th December 2020.

Please note the following points:

1. The students are required to take Covid-19 test before the examination and arrangements for the same will be made in the school itself or if required the students can get it done privately but the negative test results should be produced during the examination. The day and date of the Covid-19 test will be informed to you shortly.
2. School transportation will not be available for the students. Parents are required to make the necessary transport arrangements for their ward.
3. Online mode of examination will be conducted for the students who are not willing to write the face to face mode of examination. We suggest the students to attend the face to face mode of examination as the students have to write the CBSE board examination which is offline (face to face) examination. Supervised face to face Pre-Model Examination is a must to ensure time management, develop confidence within the student and to understand the techniques of obtaining high scores in the examination.
4. The decision regarding sending your ward to school for the face to face Pre-Model Examination is completely yours.

Kindly fill in the attached consent form and email the same to the class teacher on or before 12/11/2020.

With regards,

PRAMOD MAHAJAN
