### For the Students of Grade VI to XII only

Dear Parent  
Sir/Madam

Greetings from Sharjah Indian School.....

We express our gratitude for your kind cooperation extended to us as our partner in the schooling process of your ward. We have started Face to face hybrid learning mode of classes for the students of Grade VI to XII as per the directives of Sharjah Private Education Authority (SPEA) as well as the Central Board of Secondary Education (CBSE), Delhi. Both SPEA and CBSE have made it mandatory for all the students to attend Face to face hybrid learning mode of classes (except for any medical emergency cases of the child). We strongly recommend and request you to kindly opt for Face to face hybrid teaching – learning mode of classes for your ward to avoid further inconvenience as the Face to Face assessment marks will be considered for promotion even for the CBSE examination as U.A.E. is now open for Face to face hybrid learning mode of classes.

Kindly be informed and be ensured that the school is safer from all corners. We welcome your child for the Face to face hybrid learning mode of classes. We are following all sort of preventive measures which are as follows:

1. Temperature of the student is monitored twice.

7. Buses will run with the allowed capacity only that is 75% which is the approved capacity of the Roads and Transport Authority.
