Circular No. SIS/075/2021-2022

24th October 2021

For the Students of KG1, KG2, Grade I & II only

Dear Parent
Sir/Madam

Sub: Back to School – Face to Face classes

We at Sharjah Indian School are very happy to announce that our Kindergarten and Primary section is coming back to campus shortly. As our maximum number of students are in the Kindergarten and Primary section the process will be done stage by stage. We have decided to start with Kindergarten on 27/10/2021 followed by Grade I & II on 28/10/2021. We are grateful to Sharjah Private Education Authority (SPEA) for their support and encouragement by giving the permission for starting the Face to Face classes for all grades. As per SPEA's directives there will be no more online classes or hybrid classes once the Face to Face classes begin. We are thankful to all parents for their cooperation and encouragement extended to the institution and teachers during the pandemic. We also appreciate their whole hearted support during the online classes. We expect the same cooperation from you by sending your ward back to campus with full confidence in us.

All covid safety precautions and sanitization guidelines are being followed to ensure the safety of all students and staff. Please advise and motivate your ward to follow the covid protocols of the country. We assure you that your ward is in safe hands as our staff will be extra careful of the wellness of your child.
