## OUR VISION

Educate Enlighten Empower

Circular No. SIS/027/2022-2023

14<sup>th</sup> June 2022

Dear Parent  
Sir/Madam

Today we live in the era of competencies and skills. It is the age of ensuring the progression and attainment by giving the complete ownership of the learning to students for their bright future.

Before the summer vacation, we are planning to conduct a '**PROGRESSION TEST**'. It is not content based but competency and skill based assessment. The test will give more importance to curriculum and progression rather than text books or syllabus. It will focus on core subjects of CBSE to make the learner understand their learned aspects and focus area. It is not assessment of learning or assessment for learning but assessment as learning and assessment in learning which will make the learner happy, confident, competent and future fit. There will be one question paper for all the core subjects based on objective type to reach into subjective concepts. The test will be conducted during normal school hours. The duration of test is 45 minutes. The date and time will be intimated by the class teachers.

Dear parents, there is no special preparation required for the '**PROGRESSION TEST**'. It is only for assessing what the child has learned and to cross check whether our teaching learning style, strategies and tactics are working effectively and to modify ourselves. It is our firm belief that 21<sup>st</sup> Century learners are capable of taking ownership in their academics and we want to know up to what extent we are exploring their capabilities and to support them to be more competent, confident and future fit.

Kindly co-operate and motivate our learners.

Looking forward for your utmost co-operation as always.

Note : It is our humble submission to kindly clear the dues for the school fee before Open House. Being our partners, parent's cooperation and understanding are desired for the smooth functioning of the school.

With warm regards

PRAMOD MAHAJAN  
PRINCIPAL
