Dear Parent
Sir/Madam

Sub: International Benchmark Tests 2017 for Improving Learning

We are pleased to inform you that our school will be participating in the **International Benchmark Tests 2017 for Improving Learning**. The Australian Council for Educational Research develops this test and provides a range of Assessment services in many countries. The International Benchmark Tests will be held on the following dates:

Monday	20/11/2017	English	Grade III to X
Tuesday	21/11/2017	Mathematics	Grade III to X
Wednesday	23/11/2017	Science	Grade III to X

The Registration fee is AED 65/- for all three subjects.

The **International Benchmark Tests** are designed to give an international benchmark of your child's performance. Questions are interesting and thought provoking, and encourage students to develop the skills related to problem solving, data interpretation, reasoning and critical thinking in a global context.

The International Benchmark Tests (IBT) provides students with:

- A comprehensive assessment of student performance and ability.
- High quality test items that engage students across all ability levels.
- Individual reports that highlight skills, strengths and weakness.
- Reports that include a clear description of skills and concepts that have been mastered.
- A scale score to measure their progress over time.
- High quality feedback that can be used to improve learning.
- School, regional and international percentiles to compare and benchmark student performance.
- Recognition of student performance.

The **International Benchmark Tests** scores obtained by students form an integral part of the school self-evaluation and accreditation by the Ministry of Education. Hence all students from Grade III to X are required to appear for the test.

Kindly fill up the proforma given below and hand over the same along with the **required fees (Dhs. 65/-)** to the respective class teacher on or before **Tuesday, 19th September 2017**.
