Circular No. SIS/043/2023-2024

5th October 2023

Dear Parent
Sir/Madam

Sub: Paper and Can collection campaign for the students of Grade 6 to 12

Sharjah Indian School has been actively participating in the paper and can collection campaign organised by **Emirates Environmental Group** in the past years. This has been made possible with the support and cooperation of our students, parents and staff. We firmly believe in the value of educating the younger generation about waste reduction and helping them form a habit of recycling, as this will become a life time commitment for them. On behalf of the school community I request you to support us in this venture which is of great significance. Help your ward to collect paper and cans and reach it to school. We have specific areas in the school earmarked for collection of paper and cans.

Let our children practice “Reduce, Recycle and Reuse”.

With regards
