For the students using school transport only

Dear Parent
Sir/Madam

Greetings from Sharjah Indian School.....

It has been observed that some students are arriving late at the bus stop and thereby missing the school bus. These students are either sent by taxi to school or they walk to school without their parents accompanying them. Some parents drop the students at the school gate and they leave. **All these practices are not acceptable and need to be stopped for the safety and security of the students.**

Kindly be advised that the students using school transport are required to reach the bus stop 5 minutes earlier than the given time. **In case your ward misses the school bus, you are required to bring your ward to the school, fill in the late arrival form at the school reception so that the student can use the school bus while going back home.**

These arrangements have been made for the safety and security of your ward, for which we need your utmost support and cooperation.

With regards

**PRAMOD MAHAJAN
PRINCIPAL**
