

SHARJAH INDIAN SCHOOL

MORAL, SOCIAL & CULTURAL STUDIES POLICY

The Moral Education curriculum of the school is centered on the development of character and morality of the student as honest, tolerant, resilient and persevering individuals. True citizens take care of themselves in addition to caring about the good of society and participating actively to make things better.

Social and cultural studies helps students learn about different cultures in the UAE , encourage students to contribute to their community ,respect different cultures in the UAE.

Culture is an inherent part of a society and the program wants to highlight UAE's shared human culture that encapsulates the traditions and symbols that help define who we are. In order to spread awareness about the culture of the UAE, various activities were conducted including Role-plays, group or small skits during the academic year 2023-2024.

At Sharjah Indian School, we promote a happy, caring, inclusive and environmentally friendly community; where children experience stimulating learning, fully reflecting the culture and customs of the UAE:

- **Through respect**
- **Through the curriculum**
- **Through community**
- **Through communication and relationships**
- **Through personalised support and development**
- **Through self -analysis and evaluation**

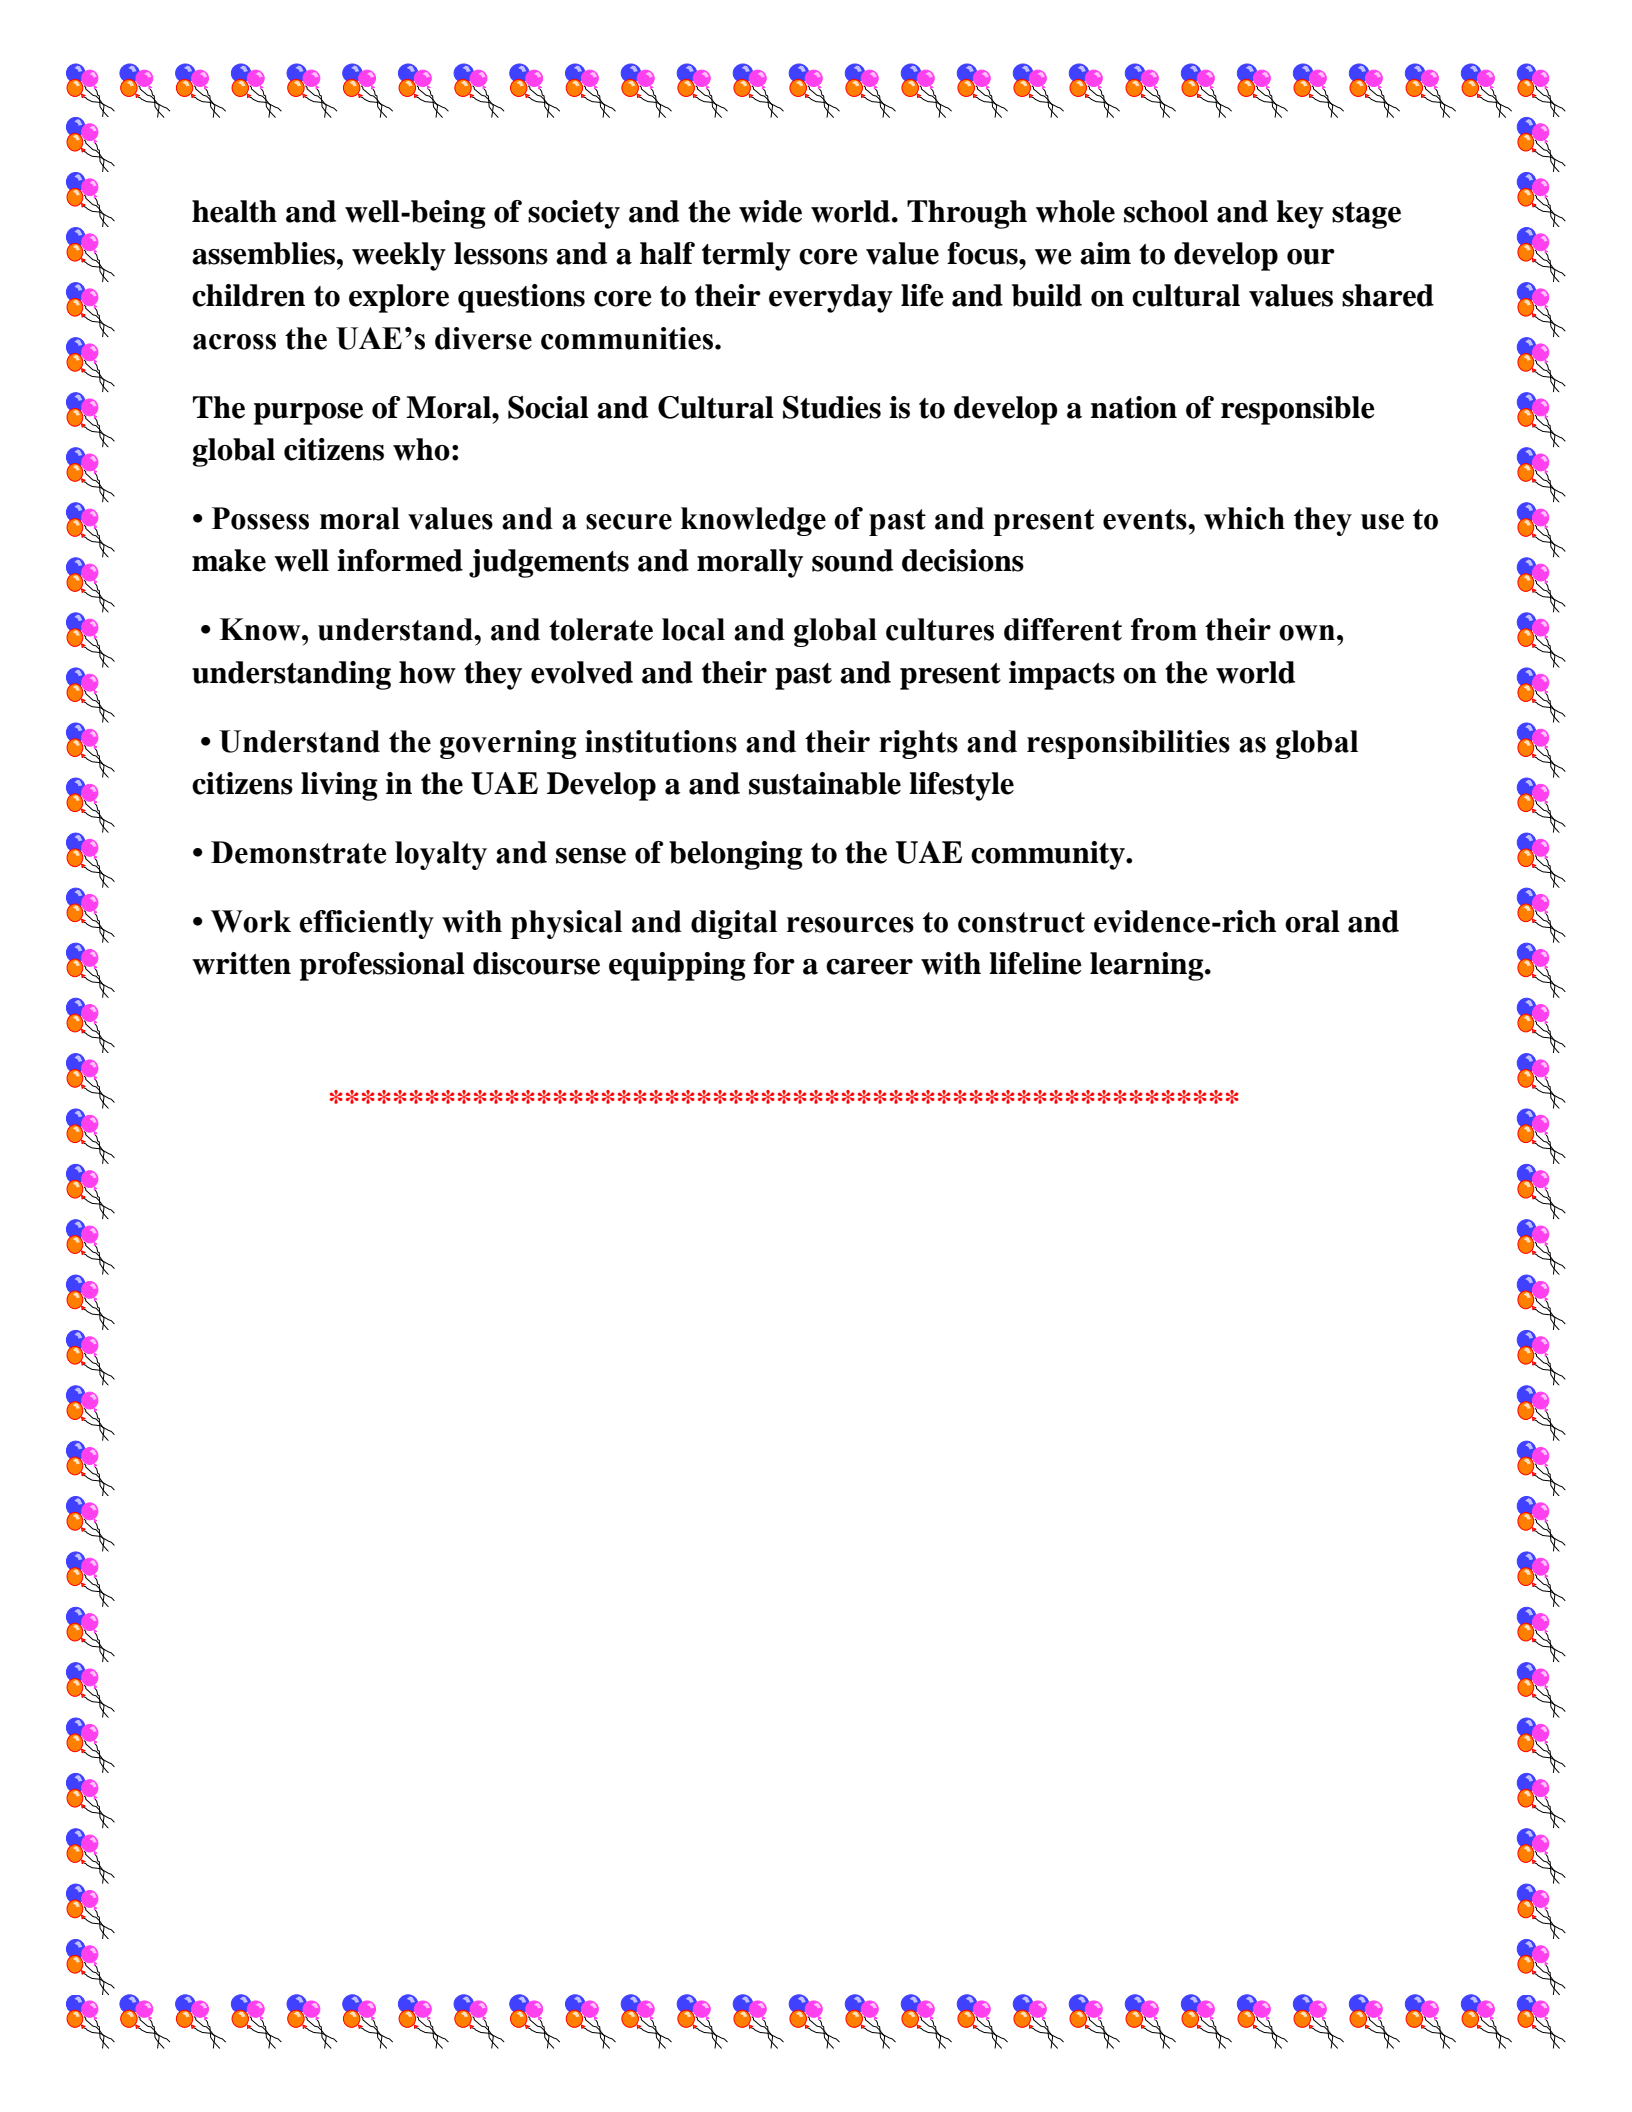

Inculcating the four pillars of Moral Education, students are able to interact, identify, analysis the cultural environment too through group discussion, Student's Power Point Presentation and questioning session by themselves.

In order to nurture the importance of Citizenship, students are frequently volunteering in sustainable activities which promote 3 R's –'Reduce, Reuse & Recycle and thereby create awareness of the same among their friends, family, and community.

**“Learning
Together,Growing
Together.”**

At Sharjah Indian School, we strive to promote character building to develop the next generation of role models and leaders, who will contribute positively to the long-term

health and well-being of society and the wide world. Through whole school and key stage assemblies, weekly lessons and a half termly core value focus, we aim to develop our children to explore questions core to their everyday life and build on cultural values shared across the UAE's diverse communities.

The purpose of Moral, Social and Cultural Studies is to develop a nation of responsible global citizens who:

- Possess moral values and a secure knowledge of past and present events, which they use to make well informed judgements and morally sound decisions
- Know, understand, and tolerate local and global cultures different from their own, understanding how they evolved and their past and present impacts on the world
- Understand the governing institutions and their rights and responsibilities as global citizens living in the UAE Develop a and sustainable lifestyle
- Demonstrate loyalty and sense of belonging to the UAE community.
- Work efficiently with physical and digital resources to construct evidence-rich oral and written professional discourse equipping for a career with lifeline learning.
