Circular No. SIS Juwaiza/001/2017-2018

11th March 2018

Dear Parent
Sir/Madam

It is with immense joy that I would like to inform you that we are fully functional in the brand new campus at Juwaiza. This was indeed a dream project for the Indian Community in Sharjah. The purpose-built campus has all the modern amenities including two spacious Libraries, well-equipped Labs including Junior Science Labs, large auditorium, activity rooms, basketball, football, tennis courts, large playground and so on, to cater the needs of our students.

We will earnestly endeavour to impart quality education to all the children who have been entrusted to our care. All the students who would pass through portals of this great institution will do so as harmoniously developed individuals capable of tackling any situation the world may deem to place them in.

You are aware that being a community school, we always make sure that the fees charged are affordable to our parents. The Ministry of Education has granted us permission for a remarkable increase in fees for all the classes. Keeping in view, the uncertain financial conditions of most of our parents and in not wanting to burden our parents with a considerable increase in fees, our Management has decided on a nominal increase only in the fee structure. Please refer the table below for the new fee structure of Sharjah Indian School – Boys Branch, Juwaiza.

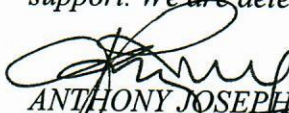

Tuition fee (With effect from 1st April 2018)

Grades	Fees (in AED)
1 & 2	385.00

6 & 7	465.00
8	470.00

Transport fee (With effect from 1st April 2018):

Ajman	250.00

While we are grateful for the support and help from our parents, we look forward to your continued support. We are determined and committed to imparting good education at an affordable cost
