CIRCULAR

Dear Parents

Sir / Madam

Greetings from Sharjah Indian School....

We are extremely delighted to inform you about our **INTERNATIONAL EDUCATIONAL EXCURSION 2017-18**, and we know it would be exciting news for the Students, Teachers and the Principal alike.

As you may know, this is a great opportunity for our students to gain a global perspective, international exposure and knowledge about the various educational and career opportunities available in various parts of the world, and how scientific research and development initiatives are trending around the world.

We believe as expat Indians in the UAE, we have a greater responsibility towards the world order as global citizens and ambassadors of world peace, to convey and promote the values of friendship and a sense of universal social responsibility (USR). As much as we value and respect our own cultures, we should respect and promote human values, scientific awareness, temperament and intellectual development.

We have had opportunities for our students to visit different countries in the Europe, Asia and America, as part of the international educational excursions conducted in the yesteryears. As part of the educational excursion for the academic year 2017-18, we are planning to take a group of students to **THE NASA KENNEDY SPACE CENTRE – ORLANDO, UNITED STATES OF AMERICA.**

Proposed Schedule: 4th to 11th May 2018
