Circular No. SIS Juwaiza/032/2018-2019

16th September 2018

**Dear Parent
Sir/Madam**

Greetings from Sharjah Indian School, Juwaiza!

It is with mixed state of mind that I welcome you to the second term of this academic year. The situation in the Southern State of Kerala where majority of us hail from, makes us all troubled at heart with a feeling of remorse, looking at the devastating effects that the floods have wreaked upon Kerala. We whole heartedly empathize with our brethren and will endeavour to help in all possible ways. Let's all hope and pray and put our hands together in building a new Kerala. Let us extend our solidarity to the people of Kerala and strengthen the Government machineries in all possible ways.

Taking above into consideration, we are planning on rescheduling the half yearly examinations for grades VI to X. The detailed timetable will be sent to you soon.

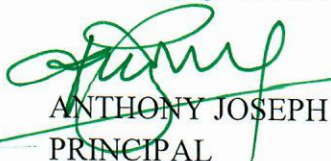

Furthermore, on 5th September 2018, being Teachers Day, students of grades 11 and 12 have done a meticulous job in conducting classes and maintaining discipline in the campus. The senior teachers who had completed a long span of service of 25 years were recognized by the Management and the school.

Please note the following:

- The Half yearly Exam for grades VI to X and the cycle tests -2 for grades XI & XII will commence only on Sunday, 30th September 2018.
- All labs are set to conduct the practical classes.
- Canteen services are made fully operational with a variety of snacks.
- Distributions of Regular and P.E uniforms have been completed.
- Parent Orientation sessions will be held class wise in the coming days. The details will be communicated accordingly.
- Encourage your ward to submit the holiday assignments to the teacher and prepare for the tests and examinations effectively.
- Remedial / Enrichment sessions and special classes will also be held in the ensuing weeks. The schedule will be sent through your ward.
- Our website designed exclusively for the SIS Boys Branch is set and will be launched soon.
- Various Cocurricular activities are also scheduled during the weeks to come.

I am grateful to our esteemed parents for your continued support to the school. However, the huge amount of fee dues ring up an alarm of discomforts. Hence I request you to clear the fee dues at the earliest to avoid any sort of inconveniences.

With every good wish,

ANTHONY JOSEPH
