Circular No. SIS/044/2018-2019

4th October 2018

Dear Parent
Sir/Madam

Subject: ASSET for Grades 3 to 9

The Ministry of Education, UAE, has now recognised and confirmed ASSET as the required assessment for all Indian curriculum schools in the Northern Emirates and has mandated all Indian schools to take up this assessment for grades 3 to 9. ASSET is also included in the National Agenda Curriculum Measurement.

Over 1 MILLION children have taken ASSET so far over the past several years. ASSET is a **unique test that checks the depth of students' understanding on every topic**. The fee for the test is AED 74 (inclusive of VAT) for English, Maths and Science for Classes 3 to 9.

After the Asset test, your child will receive a personalised comprehensive view of his/her performance, in the Student MyBook, along with detailed insights on his/her strengths and areas that need improvement. **Your child will also get benchmarked with his/her/ peers across the country and internationally, to help them understand where they stand, along with targeted practice questions.**

Students from Grade 5 to 8 achieving scores of 90th percentile and above automatically qualify to participate in the prestigious ASSET Talent Search, a "by invitation only" event backed by some of the top ranking Universities in the US. For more information, please visit www.assettalentsearch.com

ASSET papers are designed by subject experts who specialize in designing questions that test understanding of a concept in an interesting manner. This makes the testing experience stress-free and fun for students. **Please note that no prior preparation is required for the test.** Students benefit greatly from the individualized analysis, remedial instructions and questions that they can use to practice at home.

Preparation for ASSET: Though ASSET is a test that does not require preparation, students may visit www.aqad.in to sign up to receive their grade appropriate questions to familiarise themselves with the type of questions asked in Asset.

The dates for the tests are from December 4th to 6th. Kindly ensure that your ward registers and attends the exam as, individually these tests give extremely useful feedback for sustained improvement in academics.

With warm regards,

PRAMOD MAHAJAN
